

HEAVY DUTY MECHANIC

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector

We are currently seeking ***Frac Shop Technicians (Journeyman Heavy Duty Mechanic or HET)*** to join our ***Red Deer Service / Frac Shop*** team. This position is hands-on and requires the ability to troubleshoot and repair diesel and bi-fuel engines, support internal engine repairs and overhauls, and complete accurate service documentation while working safely in a fast-paced shop environment.

In this role, you will also be responsible for:

- Performing internal engine repairs (bearing rolls, cylinder head replacements, piston packs, camshafts, oil coolers, turbo replacements)
- Completing pre and post repair run-up testing of customer units
- Troubleshooting and repairing diesel and bi-fuel engines, including transmission and hydraulic issues
- Completing preventative maintenance and scheduled service work
- Completing high-quality documentation (JSA, service worksheets, time sheets, warranty claims, and QC documents)

Qualifications and Skills

Required

- Heavy Equipment Technician or Heavy-Duty Mechanic Journeyman Certificate
- Excellent troubleshooting and decision-making skills
- Strong mechanical and electrical aptitude
- Strong initiative, attention to detail, communication, and organization skills

Preferred

- Current CVIP License, or willingness to obtain
- Experience with:
 - CAT 3512, Cummins QSK50, Detroit 60, and MTU engines
 - CAT TH48 and TH55 transmissions
- Experience working with and repairing frac equipment and truck/trailer units

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits
- RRSP Matching
- Referral Bonuses

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with ***Shop Technician*** in the subject line. *****Please note we are NOT accepting apprentices at this time*****
