

ENGINE OVERHAUL TECHNICIAN

Collicutt Energy Services is a solutions-driven engine company specializing in manufacturing, repair, overhaul, and maintenance across all engine brands. We're known for doing things right, supporting our people, and delivering high-quality solutions to customers across multiple industries.

We are currently seeking an **Engine Overhaul Technician** to join our **Red Deer team**. This is a hands-on shop role focused on the teardown, inspection, diagnosis, and rebuild of natural gas and diesel engines. If you enjoy technical problem-solving, precision work, and bringing engines back to life — this is the role for you.

What's in it for you

- Competitive wages
- Full benefits package
- RRSP matching
- Stable, year-round work
- Clean, well-equipped shop environment
- Opportunities for training and technical development
- Supportive, team-oriented culture

What you'll be doing

- Perform complete teardown, inspection, and rebuild of natural gas and diesel engines
- Diagnose mechanical issues and complete repairs on engines and related equipment
- Clean, inspect, and refurbish engine components for reuse
- Utilize OEM diagnostic software and tools (CAT SIS, Cummins QuickServe, etc.)
- Complete accurate service reports, warranty claims, and quality documentation
- Maintain high workmanship and quality standards
- Support apprentices and junior technicians through mentorship and knowledge sharing
- Maintain a clean, organized, and safe overhaul shop environment

What you bring

- Minimum **3+ years of experience** in power generation, gas compression, or related industries
- **Journeyman certification** (HET, Millwright, Automotive) preferred
- 3rd or 4th year apprentices may also be considered
- Strong experience with engine overhauls, repairs, and preventative maintenance
- Strong mechanical aptitude and troubleshooting ability
- Experience with OEM diagnostic software and tools
- Ability to read and interpret technical drawings and manuals
- Strong attention to detail, organization, and communication skills
- Valid driver's license with clean abstract

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with **Engine Overhaul Technician** in the subject line.
