

## JOURNEYPERSON HEAVY EQUIPMENT TECHNICIAN – SERVICE TECHNICIAN

Collicutt Energy Services is a solutions-driven engine company powering customers across multiple industries. We build, maintain, overhaul, and optimize engines and equipment — and we're growing fast. Our culture is hands-on, safety-first, straight up, and built on teamwork. If you're skilled, reliable, and want a workplace that invests in your growth, this crew is where you want to be.

We are currently seeking **Journeyman Heavy Equipment Technicians** to join our **Grande Prairie Service team**. This role supports both shop and field service operations, working on frac equipment and related systems at Collicutt's Grande Prairie facility and at customer facilities throughout Grande Prairie and Clairmont. **Technicians have the option of working a 15/3 or 15/6 rotational schedule**, providing flexibility while supporting our customers' operations. This role is ideal for technicians who enjoy troubleshooting complex equipment, working independently, and being part of a strong service team.

### What's in it for you

- Competitive wages
- 15/3 or 15/6 rotational schedule options
- Northern Living Allowance for eligible local hires
- Company-provided accommodations
- Travel allowance
- Solid group benefits
- RRSP matching
- Referral bonuses
- Steady, year-round work
- Variety of shop and field service work

### What you'll be doing

- Complete diagnostics, troubleshooting, repair, and maintenance on frac equipment and related systems
- Complete **500-hour inspections** and regular maintenance
- Inspect, repair, and maintain **hydraulic systems**, including hose replacements
- Service **power end fluid and filters**
- Replace engine and transmission coolers + cooling system flushes
- Perform component replacements: **engine seals, turbos, heads, cylinder packs, injectors**
- Execute **major component swaps** (engine, transmission, rad bundles)
- Pre- and post-repair **run-up testing**
- Troubleshoot & repair diesel and dual-fuel engines
- Troubleshoot transmission and hydraulic issues
- Complete accurate documentation including JSAs, service reports, warranty claims, QC records, and timesheets
- Support customer-site service work and represent Collicutt professionally in field environments
- Mentor and support junior technicians as required
- Maintain a clean, organized, and safety-focused work environment

### What you bring:

#### **Required**

- **Journeyman Heavy Equipment Technician certification (mandatory)** (*Millwright or equivalent may also be considered*)
- Experience repairing and maintaining **frac equipment** and related systems
- Experience with:
  - CAT 3512 engines

- Cummins QSK50
- Detroit 60 and MTU engines
- TH48 and TH55 transmissions
- Strong hydraulic troubleshooting and repair experience
- Ability to perform internal engine repairs and overhaul work
- Strong troubleshooting ability across mechanical, hydraulic, and electrical systems
- Experience using OEM diagnostic software and systems (CAT ET, SIS, Cummins Insite, etc.)
- Valid Class 5 driver's license with clean abstract
- Reliable transportation

#### **Assets**

- CVIP license
- Experience with truck and trailer service work
- Ability to work day or night shifts as operationally required
- Basic computer skills (email, Microsoft Word, Teams)

#### **Professional Capabilities**

- High attention to detail and commitment to quality workmanship
- Strong communication and customer service skills
- Ability to work independently in both shop and customer-site environments
- Strong initiative, accountability, and willingness to support the team
- Commitment to safety and Collicutt Core Values

#### **Work Environment**

- Shop and field service work
- Indoor and outdoor working conditions
- Customer-site work required
- Overtime and extended hours may be required based on operational demands
- Strong commitment to safety expected at all times

#### **How to Apply**

Submit your resume to [hr@collicutt.com](mailto:hr@collicutt.com) with **GP HET Service Tech** in the subject line or apply directly through **Indeed.ca**.

**Please Note:** We are unable to accept apprentices for these positions
