

MANUFACTURING TECHNICIAN

Collicutt Energy Services is a solutions-driven engine company specializing in manufacturing, repair, overhaul, and maintenance across all engine brands. We build custom power solutions and equipment packages that support customers across multiple industries, while maintaining a strong commitment to safety, quality, and continuous improvement.

We are currently seeking **Manufacturing Technicians** to join our Red Deer Manufacturing team. These positions are responsible for assembling, installing, and troubleshooting industrial equipment and engine packages while supporting production goals through quality workmanship, technical expertise, and teamwork. 1 Full-Time Permanent Position & 1 Two-Month Term Position Available

What's in it for you?

- Competitive wages
- Full benefits package (*permanent position*)
- RRSP matching (*permanent position*)
- Stable work environment
- Opportunity to work on custom engine packages, gensets, and industrial equipment
- Ongoing technical development and training
- Team-focused culture

What you'll be doing

- Assemble engine packages, hydraulic systems, pumps, and gensets
- Install and plumb hydraulic, fuel, coolant, and pneumatic systems
- Build and install engine and genset control systems
- Troubleshoot engines, generators, compressors, and related equipment
- Read and interpret schematics, drawings, and technical documentation
- Complete service documentation, quality records, and timesheets
- Support shop productivity and manufacturing workflow

What you bring

Required

- Journey person certification (HET, Millwright, Automotive, Electrician, or equivalent)
- 3rd or 4th Year Apprentices may also be considered
- Strong mechanical and electrical troubleshooting skills
- Ability to read and interpret technical drawings and schematics
- Strong attention to detail and commitment to quality

Assets

- Experience with generators, engine packages, or industrial equipment
- Understanding of Tier 4 Final equipment
- Previous manufacturing or assembly experience

How to Apply

Submit your resume to hr@collicutt.com with **Manufacturing Technician** in the subject line.

Please indicate whether you are interested in the Permanent Position, the Two-Month Term Position, or Both.
