

LEAD HEAVY DUTY MECHANIC

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our company culture emphasizes safety, respect and continuous learning, fostering an environment where employees can thrive professionally and personally. As a growing, privately-owned organization, we offer exciting opportunities for career advancement and the chance to contribute to cutting-edge energy solutions. Join Collicutt and be part of a collaborative team that values community involvement and shared success in the ever-evolving energy sector

We're looking for a **Lead Shop Technician (Frac Shop) (Journeyman Heavy Duty Mechanic or HET)** to join our Red Deer Service / Frac Shop team. This position requires strong troubleshooting and repair experience on frac pumps and engines, the ability to coordinate and lead daily shop priorities, and a commitment to safety, quality standards, and customer satisfaction in a fast-paced shop environment.

In this role, you will also be responsible for:

- Leading by example and setting the standard for workmanship, professionalism, and customer service
- Coordinating daily work assignments, supporting morning meetings, and monitoring job progress to meet timelines and productivity targets
- Providing advanced troubleshooting, repair, and preventative maintenance on frac pumps, engines, and related oilfield equipment
- Training, coaching, and signing off work quality for apprentices and junior technicians
- Supporting quoting, invoicing, job management, and time sheet approvals as required.

Qualifications & Skills

- Journeyman Certification – Heavy Duty Mechanic or Heavy Equipment Technician preferred (Millwright or Automotive accepted)
- 3+ years of oil & gas experience with strong mechanical and electrical aptitude
- Proven ability to troubleshoot, repair, and maintain frac pumps, engines, and related equipment
- Proficiency with engine diagnostic software and Microsoft Office
- Strong communication skills with the ability to coach and mentor others
- Leadership experience in a shop environment (training, coordination, signoffs, or crew mentorship)
- Experience supporting job planning, quoting, and customer follow up

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive Wages
- Solid Group Benefits
- RRSP Matching
- Referral Bonuses

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with **Lead Shop Technician** in the subject line.
