

Equipment Testing Technician

Collicutt Energy Services is a solutions-oriented, engine company. We specialize in custom manufacturing, repair, overhaul, and maintenance for all engine brands across diverse industries, consistently raising the standards for customer satisfaction. Our culture focuses on safety, respect, and continuous learning, creating an environment where employees grow both personally and professionally. Join a collaborative team that values community involvement and shared success in the evolving energy sector.

We are currently seeking an **Equipment Testing Technician** to join our **Red Deer Frac Shop team**. This position requires hands-on operation of natural gas/diesel engines and frac equipment, advanced troubleshooting, and strong communication skills. This role also maintains a safe, high-performance testing environment daily.

In this role, you will be responsible for:

- Operating natural gas and diesel engines, frac pumping equipment, and high-pressure gas compressors
- Completing inspection, commissioning, and performance reports
- Troubleshooting equipment and communicating repair needs
- Managing test stand scheduling and supporting customer-witnessed testing
- Creating and managing work orders, quotes, and invoices

Qualifications and Skills

Required

- 3+ years operating or maintaining frac equipment
- Strong mechanical and electrical troubleshooting skills
- Ability to read and interpret drawings
- Proficient computer skills (emails, MS Word, engine diagnostic software)
- Experience with CAT and Cummins software
- Valid driver's license: ability to lift 60 lbs.
- Strong communication, organization, and initiative
- Commitment to Collicutt's Core Purpose and Core Values

Preferred

- HET Apprentice/Journeyman
- Previous experience in drilling rigs, plant operations, or frac
- SAP experience
- Training/mentorship experience

Working Conditions

- Shop environment
- Evening/weekend work as needed
- Mechanical and testing work on heavy equipment

As a team member at Collicutt Energy Services, you can enjoy:

- Competitive wages
- Solid group benefits
- RRSP matching
- Referral bonuses
- Apprenticeship & course reimbursements

If you are interested in this opportunity, please submit your resume to hr@collicutt.com with *Equipment Testing Technician* in the subject line
