

Technical Sales Engineering Technologist

Collicutt Energy Services Corp, a leader in the power generation and natural gas industry, is currently seeking a Technical Sales Engineering Technologist for our Red Deer Head Office to join our team. We are looking for someone who is ready for the opportunity to grow with the company and challenge themselves.

The successful candidate will be responsible for:

- Focus on the sale of industrial engine packages as well as project based power generation opportunities, and general repair work
- Identify, research and contact prospective customers and builds positive relationships that will generate future sales and repeat business
- Make sales calls to new and existing clients, as well as follow up on sales activity
- Make sales calls and obtain potential clients, as well as visiting current clients to promote new business
- Develop value propositions based on unique client needs
- Deliver sales presentations to promote and sell the company's services
- Contribute to sales products, promotions & marketing collateral to maximize sales opportunities
- Develop, execute and accountable to the sales action plan and strategy created
- Travel as required to obtain a healthy customer base
- Stay up to date on any necessary training and latest technology
- Report sales and quoting information, updates, progress, etc.
- Ensure customer service satisfaction and good client relationships
- Gather competitive intelligence and monitor competitors, market conditions and product development
- Quick response to, and resolution of, client needs and concerns, and timely feedback on technical proposals and job status
- Optimization of client satisfaction/loyalty through improved operations
- Maintain relationships with both internal and external customers

The position requires:

- 5+ years of experience in sales required, industry related experience an asset
- Engineering Technologist Diploma is an Asset
- Technical background in transmissions, power ends, generators, engines and related components would be an asset
- Ability to conceptualize customer solutions required
- Strong work ethic and high sense of motivation and goal driven
- Excellent organizational, written, verbal, negotiation and interpersonal skills
- Client service focus with experience in customer problem resolution
- Able to work independently and in a team atmosphere
- Possess integrity, a strong sense of urgency and a proven ability to hit deadlines
- Able to work a flexible schedule, including overnight travel as required
- Strong customer service focus with good verbal and written communication skills
- Effective time management, including the ability to anticipate and deal with the effects of change
- Proven competency in Microsoft Office
- Valid driver's license
- Available for, and legally able to, travel internationally
- Commitment to Collicutt Core Values Core Purpose

This is an excellent opportunity to join a dynamic and growing organization. The potential for success with our expanding, progressive, privately owned business is unlimited. We recognize our team members as individuals, and consider mutual RESPECT to be the key to building a cohesive, productive Team.

If you are interested in this exciting opportunity that offers endless learning opportunities, a safety first philosophy,

mutual commitment, fun, and community involvement, then don't wait any longer! Come be part of our FAMILY.

Please submit your resume to Human Resources, along with your salary expectation, and availability date by responding to this ad.
